Project Summary

Simple web application to compile reading list
for travel itinerary.

Does not have to be an entire book.

A section of a book represents a list item that
corresponds to each place the traveler visits.

Pay per chapter.

FAQ

How do I access the books I've purchased?

Your purchase will be sent to you in a format that allows you to sync it to a ebook reader or any other tablet or lap top device.

How does the payment system work?

You pay at the end of a chapter by pressing a button that allows access to the next chapter. For the last chapter of the book, the access button is at the very beginning .
